We are pleased to formally invite you to attend our upcoming Awards Dinner taking place on April 17th, 2026 at Rothchild Catering. This event will honor local cadets of the United States Naval Sea Cadet Corps for their awards, accomplishments and activities within the community.

The United States Naval Sea Cadet Corps is The US Navy's youth development program. Our purpose is to give young Americans skills, knowledge, and confidence through an amazing variety of training opportunities. Sea Cadets wear uniforms, work as teams in a disciplined environment, and adhere to our core values of honor, respect, commitment, and service.*

The Knoxville division is known as the Smoky Mountain Anchor Division (SMAD). Yearly, we host area veterans, community leaders, and the unit's families for a Graduation Ceremony and Awards Dinner in recognition of the unit's group and individual accomplishments, and to honor our graduating high school seniors. Our cadets are remarkable young people with a heart for service in their communities, schools and beyond. It is our belief that, in this day and time, these cadets deserve to be celebrated and honored for their hard work, perseverance, and many accomplishments.

We humbly request the honor of your presence as we acknowledge our Cadets and local veterans. Drinks will be available at the cash bar starting at 5:30pm and the dinner will be served at 6:30pm.

Thank you for your support and consideration.

In your service,

Parents Auxiliary
Smoky Mountain Anchor Division
