SMOKY MOUNTAIN ANCHOR DIVISION PARENT'S AUXILIARY

SCHOLARSHIP APPLICATION

The SMAD leadership and SMAD Parent's Auxiliary agree that finances should never be a hinderance to becoming, and/or continuing to be, a United States Naval Sea Cadet.

All Scholarship requests are confidential and will only be discussed between the current elected Parent's Auxiliary Board members and the head of the Unit, if needed. No request will ever be discussed within the unit or with anyone outside of the approval/denial process.*

All applications must be voted on by the elected members of the Parent's Auxiliary Board and will either be approved or denied by majority vote. In the case of a tie, the board may request the head of the Unit weigh in and be the deciding vote. The board may also seek the opinion of the unit leader prior to voting.

If approved, you (the parent/guardian) will be notified and the Aux Treasurer will contact you to coordinate payment of the fee(s). Though reimbursement may be possible with proper receipts, every effort will be made to pay fees to the issuing party (USNSCC, airlines, training units, etc) by the Treasurer directly.

* NOTE: Because the Smoky Mountain Anchor Division Parent Auxiliary is a 501(c)3, we may be legally required to provide completed applications, along with receipts and proof of payments, to the IRS in the case of an audit.

Please submit completed applications to:
smadauxiliary@gmail.com
